

Mission

First choice for anyone seeking to study, teach, work, recruit or partner.

MSOE is the university of choice for those seeking an inclusive community of experiential learners driven to solve the complex challenges of today and tomorrow.

A supportive community where everyone is valued

Our method of 'learning by doing' is our distinction:

- *How we teach*
- *How we learn*
- *How we serve*

Our graduates can tackle the hard problems.

Ready now – prepared for the future.

Vision

MSOE will set the standard for preparing leaders to solve the diverse technical challenges of the 21st century.
